

How to Reset Gmail Password

1. Open your [Google Account](#). You might need to sign in.
2. Under "Security," select **Signing in to Google**.

3. Choose **Password**. You might need to sign in again.

4. Enter your new password, then select **Change Password**.

A screenshot of the password reset form. It features two input fields: 'New password' and 'Confirm new password'. Each field has a lock icon and an eye icon. Below the first field is a 'Password strength:' section with instructions: 'Use at least 8 characters. Don't use a password from another site, or something too obvious like your pet's name. Why?'. At the bottom right is a blue 'Change password' button.
